

# ADVOCATE PROGRAM

**The Advocate Program is a year-long professional development program that supports educators and mentors who are working to increase the number of students from traditionally underrepresented groups who enter STEM research competitions.**

Advocates receive:

- Training, staff support, and peer mentorship
- A \$3,000 stipend
- All-expense-paid trip to attend the Advocate Training Institute in Washington, D.C.

Applications are open from January – early March.

To learn more about the program, sign-up to be notified when the application opens, or to access the application check out our website.
