

Orientation

Welcome to Broadcom MASTERS Virtual Public Day!
To guide your learning while interacting with the digital platform, we encourage you to use this collection of educational resources. Follow the suggested order of the resources or choose your own adventure by selecting one or two of the activities.

- Orientation
- BINGO
- Journalist Notebook
- Experiences Planner
- STEM Story Graphic Organizer
- Virtual Time Capsule

To familiarize yourself with the locations of the resources, navigate back to the virtual lobby, launch the welcome video and complete the following prompts. As you watch the video, circle on the image above every interactive location that is mentioned.

After watching the welcome video, answer the prompts on the following page.

If you need help with the platform, please go to the virtual help desk to chat with a Society staff member.

Orientation

1. Who are the Broadcom MASTERS, and how did they become finalists?
When is the awards ceremony?
2. Name three things you can learn about in the 2020 Broadcom MASTERS Virtual Convention Center, and indicate where you will need to go on the virtual platform to learn them.
3. Where can you find information about the Broadcom MASTERS finalist research projects?
When will the finalists be available to live text chat at their virtual booths?
