About the Intel ISEF
The Intel International Science and Engineering Fair (Intel ISEF), a program of Society for Science & the Public, is the world’s largest international pre-college science competition. The Intel ISEF is the premier high school science competition in the world and provides a forum for more than 1,750 students from more than 80 countries, regions and territories to showcase their independent research annually. Each year, millions of students worldwide compete in local science fairs; winners go on to participate in Intel ISEF-affiliated regional, state and national fairs to earn the opportunity to attend the Intel ISEF. Uniting these top young scientific minds, the Intel ISEF provides the opportunity to finalists to display their talent on an international stage and submit their work for judging by doctoral-level scientists. The Intel ISEF provides awards of nearly $5 million in prizes and scholarships annually.

Section 1 — Fair Information

1. What is Intel ISEF?
The Intel International Science and Engineering Fair (Intel ISEF), a program of Society for Science & the Public (the Society), is the world’s largest international pre-college science competition. Intel ISEF is the premier high school science competition in the world and provides a forum for more than 1,750 students from more than 80 countries, regions, and territories to showcase their independent research annually. Each year, millions of students worldwide compete in local science fairs; winners go on to participate in Intel ISEF-affiliated regional, state and national fairs to earn the opportunity to attend Intel ISEF. Uniting these top young scientific minds, Intel ISEF provides the opportunity to finalists to display their talent on an international stage and submit their work for judging by doctoral-level scientists. Intel ISEF awards nearly $5 million in prizes and scholarships annually.

Intel ISEF is the world’s only international science fair representing all sciences for high-school level students. These students push the boundaries of science research. About one third of the students have patents or patents pending. Intel ISEF will be in Phoenix in 2019 and Anaheim in 2020.

2. About the David L. Lawrence Convention Center (DLCC)
   - **Lost and Found** — Located at the Registration Desk on the 2nd Floor Concourse and at the HUB in the center of Halls B and D/E.
   - **Smoking** — The DLCC is a nonsmoking facility. Attendees must exit the Convention Center to smoke.
   - **Wheelchairs/Motorized Scooters** — Motorized scooter or wheelchair rentals may be ordered through medical suppliers in the area. The DLCC does not loan or rent wheelchairs or scooters.

4. Parking at the DLCC
   Parking for volunteers and judges will be available at the David L. Lawrence Convention Center (DLCC) as well as some nearby, downtown garages. A limited number of spaces will be available daily at the DLCC. The entrance is off of 10th Street. When that lot fills, then additional spots will be available at the Grant Street Transportation Center Garage (in between Liberty and Penn and 11th and 12th Street), Smithfield-Liberty Garage (at 629 Smithfield Street), Ninth and Penn Garage and the Mellon Square Garage (entrance on Sixth Avenue between Smithfield and William Penn Place). Please refer to www.pittsburghparking.com for more detail about all lots other than the DLCC or download the ParkPGH app for up-to-date space availability. If judges and volunteers want to have their parking comped, then they MUST take their parking ticket to the Volunteer Office/Room 309 to get either a chaser card to have their parking ticket stamped.

The DLCC has handicap parking available. Contact the Volunteer Office for a parking pass and directions.
5. **Registration**

Registration will take place on the 2nd floor of the DLCC. Volunteers will assist with registering and distributing fair materials to Official Party members, VIPs, judges and other guests throughout Fair Week.

### A. Types of Registrants

i. **Student Finalists:** 9th–12th grade participants with projects entered into the fair who won the opportunity to compete through their local, regional, state and/or national science competitions (orange badges).

ii. **Student Observers:** Middle school or high school students who are not competing in Intel ISEF or are alternates (purple badges).

iii. **Adults-In-Charge (AIC)/Other Official Party:** Each delegation must assign one AIC, who is typically a fair director, teacher, or parent (white badges).

iv. **Fair Directors:** An affiliated fair director is the person who runs the affiliated fair in a school, county, state, or nation affiliation and is the main contact for the Society (white badges).

v. **Judges (Grand Award and Special Award):** Grand awards (blue ribbons) are given in each category. Special awards (red ribbons) are given by the federal government, associations, societies, corporations, universities and the other Special Award Organizations.

vi. **Society Staff and a handful of core volunteers who need early and late access to the exhibit hall will have yellow badges and be able to access the exhibit hall through a special door.**

Section 3 — Transportation

1. Airport Transportation
   • For those who preregistered online prior to the Fair, airport shuttling to block hotels will be provided on Saturday, May 12 and Sunday, May 13 between the hours of 7:00 a.m.–9:00 p.m. ET. Return airport shuttling is available on Friday, May 18 from 11:00 a.m.–5:00 p.m. ET and Saturday, May 19 from 3:00 a.m. and 12:00 noon ET by reservation. Reservations may be made at the transportation desk at DLCC Registration until 4:00 p.m. on Wednesday, May 16. The cost is $15 per person. Upon your arrival at PIT, look for the Intel ISEF greeter in the baggage claim area. The Adult-in-Charge should show the greeter the Reservation Confirmation that was sent via email when your registration was completed. The greeter will then give you further direction.

   **Super Shuttle:**
   • Super Shuttle is a shared ride service and is available 24 hours per day. Additional private van or car transportation options are also available with Super Shuttle. For transportation to and from the Pittsburgh Airport outside of normal operation of the Intel International Science and Engineering Fair 2018, we have arranged alternate shuttle service with Super Shuttle for purchase at your own expense.
   • The Super Shuttle ticket counter is located at the “Ground Transportation/Car Rental area” in the center of the baggage claim level of Pittsburgh Airport. Upon arrival, follow the signs to the baggage claim and collect your luggage. Customers must check in with a uniformed Customer Service Representative or use the self-service ticketing kiosk to receive a boarding pass before attempting to board a vehicle.
   • You may also go to [www.supershuttle.com](http://www.supershuttle.com) and enter the code “6HUZP” or call (888) 888.6025. The cost is approximately $25.00 per person between the airport and downtown.

2. Taxi Service Information
   • All major hotels in the Downtown area have taxis waiting outside. In other areas of the city, look for “taxi stands.” You can also call for a cab: Yellow Cab taxi services at (412) 321-8100 or Classy Cab taxi services at (412) 322-5080.
   • zTrip also has an APP (Google Play or App Store) to book a taxi or black car with no surge pricing. Book for “now” or “later” and pay via cash or credit card. The rates are $4.00 flag drop and $1.75 per mile/wait time charge of $0.55 for each one minute.

3. Hotel Shuttle Service
   • Starting on Sunday, May 13, there will be daily hotel shuttling provided from the Pittsburgh Marriott City Center, Cambria Suites, and Wyndham Pittsburgh every 15 minutes to/from the Convention Center. Complimentary Light Rail passes will be provided to guests at the Sheraton Station Square. Shuttle hours are as follows:
     • Sunday: 8:00 a.m.–5:00 p.m. and 6:00 p.m.–9:30 p.m.
     • Monday: 7:00 a.m.–11:00 a.m. and 3:00 p.m.–9:00 p.m.
     • Tuesday: 8:00 a.m.–4:30 p.m.
     • Wednesday: 6:00 a.m.–10:00 a.m. and 4:00 p.m.–6:00 p.m.
     • Thursday: 7:00 a.m.–11:00 a.m. and 5:00 p.m.–10:00 p.m.
     • Friday: 7:00 a.m.–12:00 noon

4. Public Transit
   • For the Tuesday, May 15 and the Wednesday, May 16 evening activities, attendees should take T Plus (free public transportation) to the North Side or Allegheny Station stops on either the blue or red lines. The Pittsburgh subway system, referred to as the “T”, is within walking distance of downtown hotels. If you are at Station Square, your T Pass should be utilized.

5. Return to Pittsburgh Airport
   • You must stop at the airport transportation desk located in the Intel ISEF registration area at the David L. Lawrence Convention Center to pick up your boarding tickets for the return service. The desk will be open Sunday through Wednesday, 8:00 a.m.–4:00 p.m. only.
Section 4 — Volunteer Duties and Descriptions

All volunteers must check in at Room 309 (Volunteer/International Office) once they arrive at the Convention Center. Volunteers are identified by blue t-shirts with “Volunteer” on the back. Contact Sharon Snyder at ssnyder@societyforscience.org with any questions.

1. **Airport greeters** greet guests at the airport upon arrival; help guide groups to baggage claim and advise on transportation choices.

2. **Bag stuffing** — over 10,000 bags will need to be organized and stuffed on Friday, May 11.

3. **Display & Safety (training provided)** Inspect every project on the exhibit hall floor to ensure they adhere to the rules of Intel ISEF on size of project and safety.

4. **Interpreters**
   - Assist students in over 20 languages with international registration, project set-up and SRC/D&S clearances and any other interpretation support.
   - Assist international students on Wednesday during judging (introductory breakfast for interpreters and students from 6:30 a.m.–8:00 a.m., then to Hall B and D/E).

5. **Judges**

   Experts from all fields of science and engineering are selected to judge the exhibits and interact with the students. All Intel ISEF judges must have a Ph.D. or other doctoral-level degree, or six years of experience in the field being judged.

6. **Public Day, Education Outreach and Visitation—Thursday, May 17**

   Programming for about 2,500 local middle and high school children will require volunteers to help with loading and off-loading of buses, checking in groups and other tasks.

7. **Registration (training provided prior to each shift all week)**

8. **Shipping and Receiving**

   Trucks will arrive on Thursday, May 10 from GES and UPS. Volunteers will carry boxes to check in items, mark Project ID, and deliver to finalists’ project booths.

9. **Student Observer Day**

   Student Observer Day is on Wednesday, May 16, and will be held at the Carnegie Museum of Natural History. Special programming is offered to about 250 middle school- and high school-aged Observers who have traveled with Official Parties from all over the world. The purpose is to inspire students to continue with science research and perhaps be a finalist someday at Intel ISEF.

Section 5 — VisitPITTSBURGH Information Booth

A local Pittsburgh Information Booth will be staffed and operated at the East Lobby in the David L. Lawrence Convention Center. Attendees can get information and assistance on local attractions, schedule tours, and find transportation services.

- **VisitPITTSBURGH Information Booth hours**
  - Saturday, May 12 10:00 a.m.–5:00 p.m.
  - Sunday, May 13–Tuesday, May 15 10:00 a.m.–7:00 p.m.
  - Wednesday, May 16–Friday, May 18 10:00 a.m.–5:00 p.m.

Thank you for volunteering for the Intel International Science and Engineering Fair 2018. Volunteers are critical to the success of this event. Your commitment is greatly appreciated.

Hundreds of volunteers have stepped forward, exhibiting the dedication and depth of talent in the Pittsburgh community. We hope that, together, we will enable young scientists and their delegations from around the world to feel at home in Pittsburgh.

Enjoy Intel ISEF.
The Intel International Science and Engineering Fair encourages students to tackle challenging scientific questions and develop the skills needed to solve the problems of tomorrow.

**Society for Science & the Public**
The Society for Science & the Public is a champion for science, dedicated to expanding scientific literacy, effective STEM education and scientific research. Founded in 1921, we are a nonprofit 501(c)(3) membership organization focused on promoting the understanding and appreciation of science and the vital role it plays in human advancement. Through its acclaimed education competitions, including the Regeneron Science Talent Search, the Intel International Science and Engineering Fair and the Broadcom MASTERS, and the Science News Media Group, including the award-winning *Science News* and *Science News for Students*, the Society is committed to inform, educate and inspire.

**Intel Corporation**
The foundation of tomorrow’s innovation is education. That’s why making quality education available to more students around the world — with the help of technology — has inspired Intel’s commitment to education for 40 years. We do more than make contributions. Intel gets directly involved in developing and helping to change policy, training teachers, offering free curricula, providing kids with a place to explore technology, and encouraging young innovators. Intel believes that students at all levels everywhere deserve to have the skills they need to become part of the next generation of innovators.

In the last decade, Intel has invested more than $1 billion, and Intel employees have donated more than four million hours, toward improving education in more than 75 countries, regions and territories. We are actively involved in education programs, advocacy, and technology access to help tomorrow’s innovators.
