ALL student observers MUST return this form to attend the Regeneron ISEF 2020.

1. A student observer is expected to act in a responsible manner throughout the week, including during the Wednesday activities. The Society reserves the right to cancel a student's participation if they are misbehaving and/or will not follow adult direction. Every effort will be made to be in contact with the Adult in Charge to report such misconduct and to have the student removed responsibly.
2. The use of tobacco products, alcoholic beverages and/or drugs is prohibited.
3. All Regeneron ISEF attendees must adhere to the SSP Program Harassment Policy and are required to report any harassment to a Society authority.
4. Respect for convention center and hotel property is required. All students shall be solely responsible and liable for any damage to convention center or hotel property caused by the student. Tampering or removing signage or other Regeneron ISEF/ Society property is strictly prohibited.
5. Finalists and observers are expected to be in their own rooms no later than 12:00 o'clock midnight. Chaperones may require students to report to their rooms earlier than the designated Regeneron ISEF curfew.
6. Appropriate attire is expected. Please plan to wear business attire for award ceremonies.
7. Attendance is mandatory at both award ceremonies and participants are encouraged to attend all Regeneron ISEF events.

I have read and understand the above rules and agree to adhere to them to the best of my ability. I understand that a consequence of failure to meet these standards may result in removal from the event and being sent home immediately at my legal guardians' expense.
