## Regulated Research Institutional/Industrial Setting Form (1C)

This form must be completed AFTER experimentation by the adult supervising the student research either virtually or on site, conducted in a regulated research institution, industrial setting or any work site other than home, school or field.

Student's Name(s)					
Title of Project					
To be completed by the Supervising Adult in the Setting (NOT the Student(s)) after exp (Responses must be on the form as it is required to be displayed at student's project booth; please of sided.)	•				
Research was supported at my work site:  I. Did you or your proxy (e.g. graduate student, postdoc, employee) mentor or provide substantial guidance to the student researcher?  a. If yes, complete questions 2–5	□ Yes	□ No			
<ul> <li>If no, describe your and/or your institution's role with the student researcher and his/her project (e.g. supervised use of equipment on site without ongoing mentorship and sign below).</li> </ul>					
2. Is the student's research project a subset of your ongoing research or work?  Use questions 3, 4 and 5 to detail how the student's project was similar and/or  different from ongoing research or work at your site. If this project is under a grant and needs to be acknowledged, please list the grant statement here.	☐ Yes	□ No			
<ol> <li>Describe the independence and creativity with which the student:</li> <li>a. developed the hypotheses or engineering goals for the research project</li> </ol>					
b. designed the methodology for his/her research project					
c. analyzed and interpreted data					
(Continued on next page)
