

## Continuation/Research Progression Projects Form (7)

**This form is required for projects that are a continuation/progression in the same field of study as a previous project.**

**This form must be accompanied by the previous year's abstract and Research Plan/Project Addendum.**

**This form may be completed AFTER experimentation.**

Student's Name(s) \_\_\_\_\_

**To be completed by Student Researcher:** List all components of the current project that make it new and different from previous research. The current years project should be compared to the immediate previous year (ie. Year 1 to Year 2, Year 2 to Year 3, etc.).

| Components                              | Current Research Project | Previous Research Project: Year: _____ |
|---|--------------------------|--|
| 1. Title                                |                          |  |
| 2. Change in goal/<br>purpose/objective |                          |  |
| 3. Changes in<br>methodology            |                          |  |
| 4. Variable studied                     |                          |  |
| 5. Additional<br>changes                |                          |  |

Attached are:

- Previous year's Abstract and Research Plan/Project Addendum, Year \_\_\_\_\_
- Previous Form 7s, if applicable.

I hereby certify that the above information is correct and that the current year Abstract & Certification and project display board properly reflect work done only in the current year.
