**ALL finalists MUST read, sign, obtain the signature of a parent or legal guardian and return this form. with their Regeneron ISEF paperwork to compete at the Regeneron ISEF 2025.**

## Liability for Exhibits

Every effort will be made to protect exhibits from loss or damage. However, since the exhibition of projects at the Regeneron ISEF is open to the public, Society for Science, Regeneron Pharmaceuticals, Inc. (Regeneron), and their employees, agents, contractors, sponsors, special award organizations, or partners and affiliated entities (including public day organizations) (collectively, the ISEF Entities) cannot and will not accept any liability or responsibility, of any nature, for any theft, loss or damage to any exhibit or any other property of any Finalist.

Accordingly, it is recommended that each Finalist take all prudent precautions to prevent any theft, loss or damage to their exhibit and/or other property. Each Finalist should always secure and guard their exhibit and/or other property during the exhibition of projects, and remove all valuable components, especially those that are easily portable, when the exhibit and/or other property is left unguarded by the Finalist. Society for Science, Regeneron and any Regeneron ISEF sponsors will not be liable or responsible for any theft, loss or damage to any exhibit that occurs during the shipping of the exhibit or while the exhibit is in transit to or from the exhibition hall.

***I have read the above paragraph and understand and accept that the ISEF Entities cannot and will not accept any liability or responsibility for theft or damage to my exhibit.***

## Limitation of Liability

In consideration of Finalist's participation in the Regeneron ISEF, Finalist and Finalist's Parent/Legal Guardian agree to release, indemnify, and hold harmless Society for Science, Regeneron Pharmaceuticals, Inc., and any other sponsors, special award organizations, or partners, their employees, agents, contractors, affiliated entities (including public day organizations) (collectively, the ISEF Indemnified Entities) from and against any and all liability for any injuries, loss, harm, damage, cost, or expense of any kind, including, without limitation, property damage, personal injury, and/or death, arising in whole or in part, directly or indirectly, from Finalist's participation in the Regeneron ISEF or Finalist's acceptance, receipt, use, and/or misuse of any prize awarded to Finalist.

It is further understood and acknowledged that awards as publicized and announced are done in good faith and the details of the award and process for acceptance and fulfillment are at the discretion of the Society or the Special Award Organization providing the award. The Society and the Special Award organization reserve the right at any time prior to, during, or after the Regeneron ISEF to make changes or substitutions in any award. Any travel award is understood to be solely for the student winner named and does not extend to guardians or other supervising adults.

***I have read the above paragraph and understand and accept that the ISEF Indemnified Entities cannot and will not accept any liability related to my participation in the Regeneron ISEF.***

## Publicity

Society for Science, Regeneron Pharmaceuticals, Inc., and organizations and businesses sponsoring awards at the Regeneron ISEF may wish to publicize their involvement in the Regeneron ISEF, which may include using photographs or information about you in written reports or online publications and listings. By participation as a Finalist at Regeneron ISEF, the Society also reserves the right to publicly publish a Finalist's Abstract. We request your availability and cooperation when contacted, interviewed, photographed and videotaped by the media before, during and after the Regeneron ISEF.

***I agree that my personal information may be used for publicity purposes. This includes my Abstract (name and biographical information) and social media postings submitted by me, as well as any photographs, videos, my voice, or likenesses of me (including any written materials based thereon) that may be used by Society for Science, Regeneron Pharmaceuticals, Inc., or other ISEF sponsors, special award organizations, or partners for the purposes of illustration, advertising or publication in any manner. I hereby expressly, unconditionally and irrevocable grant permission to the Society for Science, Regeneron Pharmaceuticals, Inc. and other ISEF sponsors, special award organizations, or partners for full use of such personal information, and I have knowingly and voluntarily waived any right to privacy that I might have in connection with its use thereof. I irrevocably and unconditionally release, waive and forever discharge the Society for Science, Regeneron Pharmaceuticals, Inc., or other ISEF sponsors, special award organizations, or partners (and their respective affiliates) from any liability, claim, and demand of any kind, in law or equity, whether known or unknown, which I (or my heirs, executors, or assigns) have or may have in the future against the Society for Science, Regeneron Pharmaceuticals, Inc., or other ISEF sponsors, special award organizations, or partners and their respective affiliates, whether such loss or damages be direct, indirect, consequential or otherwise. I will cooperate with any publicity in connection with the Regeneron ISEF. I also agree to the public posting of my Abstract information and material, in the Society's sole discretion. I understand that Society for Science, Regeneron and ISEF sponsors, special award organizations, or partners are not obligated to use nor provide compensation for any use of my personal information as described in this release. If I have questions or concerns about the use my personal information by the Society for Science, Regeneron Pharmaceuticals, Inc., or other ISEF sponsors, special award organizations, or partners or if I want to withdraw my consent, I can send such questions or concerns to [sciedu@societyforscience.org](mailto:sciedu@societyforscience.org) or I can write to the following address: Society for Science, 1719 N Street NW, Washington, DC 20036.***
