

Katie Linendoll

Emcee; Emmy Award Winning Journalist
and STEM Advocate

Katie Linendoll is an Emmy Award–winning TV personality, consumer technology expert, and one of the leading women in the field of technology. She has hosted numerous TV and digital series and special events, and has contributed hundreds of print and online articles for top outlets. Katie can regularly be seen on TV and digital segments and series such as *The TODAY Show*, *The Weather Channel*, and *SiriusXM*, among others, and also speaks at leading technology and business conferences.

Named a Silicon Valley Visionary, Katie leads a faith-filled, active lifestyle and devotes a large portion of her time to select philanthropic causes in healthcare, retired K9s, and U.S. veterans. Katie is also passionate about music, and her songs and music videos have charted on radio and iTunes.
